

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

This will be the last of our summer eagle shorts for the year. We hope that you have enjoyed the content and that it has helped you prepare for the upcoming school year. We may still have a couple of short messages that we will be sending out to staff prior to the start of the school year. One of those messages will include instructions for signing up to receive text messages from school. We don't anticipate using this a lot, but we do plan to use it for snow days or in the event of a lockdown. To opt in, you must have a valid email and cell phone number. We are so grateful to all of you who took a few extra minutes yesterday to help out with registration. It was my first time doing registration at St. Paul and it felt like it went very smoothly. I was grateful for the opportunity to meet with all of you who could make it. If you were not able to attend yesterday or forgot some of your paperwork, you can visit us during office hours, 8:00 AM to 4:00 PM throughout the week. An appointment is not required, but it would be best to email office@stpaulgreenbay.com or call ahead so we know you are coming.

I am looking forward to seeing you all on August 14 for the installation/church picnic/block party. Worship starts at 10:30 with food and additional fellowship to follow.

I will be out of the office from August 15-August 19. Don't let that keep you from stopping in. Our office staff and ministry team will be here to answer any questions you may have.

UPDATES

Hot Lunch Update: We are including a [letter](#) with an update on the hot lunch program with this week's Eagle Summer Short. Please help us to ensure that we can continue this valuable service.
