

### Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

## FROM THE PRINCIPAL

We have had a wonderful start to the school year and I am so happy to be serving as your Principal. There is not enough space on this page to capture all the wonderful blessings we have at St. Paul Lutheran school. In general, students and staff are getting into their routines - lines are getting straighter, voices get quieter faster, and students are able to eat their lunches just a little bit quicker. Here, however, are a couple of my highlights from the past week. Every day this school year, I have had the same 4K student ask if I was still the principal, every day I get to say yes. Last Friday, I got to see the care and compassion of our 5th-8th grade students as they worked to lead their BASIC groups in learning each other's name.

**Fox Valley Lutheran** has a few exciting opportunities coming up to connect with you and your family. First, there will be a St. Paul sports night coming for FVL's football game vs Wrightstown on September 30. Free adult tickets can be obtained by filling out this [form](#) or by contacting Brittany Rivers by September 23. Second, there are many youth sports camp opportunities through FVL, you can find those [here](#). Finally, the FVL Middle School band offers lessons at St. Paul. 5th - 8th grade students received this information and [letter](#) on Monday.

We look forward to seeing all our families on Friday, September 9th for **Family Game Night**. Please let us know you are coming either by saying yes to the [Facebook invitation](#) or contacting Brittany Rivers.

Christian love and respect should be reflected in all that we say and do, St. Paul students and faculty are expected to dress in a God pleasing manner. St. Paul does have a dress code that applies to all days when school is in session, including field trips, unless otherwise stated. Please take a few moments to review the **dress code** located on pages 11-12 in the [school handbook](#) with your child.

We want and welcome parent volunteers. But we need you to complete a [Volunteer Background Check](#) prior to serving as classroom helpers, field trip chaperones, athletic coaches. Before serving in this capacity, please contact Brittany Rivers to get one of these forms. There will be no cost to the volunteer for the background check.

In closing, I would ask that you continue to keep us in your prayers as we move through the school year. I leave you with this prayer, recently shared by the WELS Commission on Lutheran Schools:

**Heavenly Father**, as we begin another school year, we are overwhelmed by your grace. We humbly ask that you bless students with minds eager to learn about the world around them and hearts focused on growing in your Word and grace. We ask you to bless teachers across the country. Fill them with joy and confidence knowing that you are with them in all they do. Bless families as they encourage and guide their children this year. We thank and praise you for the opportunities you provide to share your precious gospel in WELS schools and early childhood ministries. Help us all to grow in faith and love for you. Amen.

## SCHOOL NEWS

### Athletics-Mr. Jammer

Three additions/changes to the original Fall Athletic Calendar you received at registration.

- 1) A-Volleyball is participating in the Warrior Classic hosted by Immanuel, Greenville on Saturday, September 10.
- 2) Soccer game at Neenah Lutheran (September 22) has been moved to Wednesday, September 21.
- 3) Both B (4:00 pm) and A (5:00 pm) are playing at Trinity, Green Bay on Monday, September 26.

\*Updated calendar (8/8/22) was sent home last week.

\*\*Remember the mandatory athletic meeting, Wednesday, September 7, at 6:30pm. (For information concerning our league visit our Fox Valley WELS Athletic League website [fwal.org](#).)

### Technology-Mr. Brennan

Students 3rd to 8th are daily using their school Google accounts for work, they can access them from any device with the internet. Away from school our security and filter are not monitored like they are during the school day. If your using devices with the school accounts our security and filters should not replace parental supervision

### Extended Learning-Mrs. Plitzuweit & Mrs. Parsons

We have begun pulling students this week to formally assess their academic needs in order to formulate an effective learning plan. This is taking longer than we planned. We will inform you on assessment completion and official date of learning plans being sent out. We will also be communicating any adjustments that may need to occur due to Mrs. Parsons moving at the end of the quarter. God has a plan and it is always good!

### PTO

Looking ahead to September we have some exciting things going on. Our first official fundraiser for the year will be with Seroogy's. The candy bars will be ready for families to pick up on September 16th. The boxes come by flavor and so we will need help creating "Variety Boxes" on September 12th. If your family wants to participate in selling the candy bars [sign up here](#) or contact Brittany Rivers in the office. We will also have bars available for sale in the office and at the concession stand during home games. The funds raised will go toward renewing our Library software. Join our [Facebook](#) group to stay up to date.

## UPCOMING DATES

**September 2 - September 5** - Labor Day Recess - No School

**September 7** - Mandatory Sports Meeting at 6:30 P.M.

**September 8** - Picture Day

**September 9** - Family Game Night

**September 12** - PTO Meeting at 5:30 P.M.

**September 16** - Seroogy's pick up

**September 27** - Early Release

**September 29** - Happy Joe's Fundraiser

You can find a link to the full school calendar [here](#).

### Mission Statement

## CLASSROOM NEWS

### 7 & 8-Mr. Brennan

Welcome back to life in the school year; sports practices, homework, school lunches, and lots of learning. The 7th and 8th grade is getting into their routines quite well already and will be adding PBIS leadership skills to it as this month continues. Parents should check their email for a google doc that contains the daily assignments. It is a "living document" which means it gets updated each school day. This would be a good email to keep for future reference. The first "two weeks" are in the books and things appear to be on the right path, here's to a great year.

### 5 & 6-Mr. Jammer

Welcome back to another school year! If you have any questions as the year begins, please contact me. It will take a few days to get back into the swing of things. There are a lot of new things: classroom schedule, classroom routines, teachers, classmates, curriculums...

### 4-Mrs. Hepner

We have been busy getting into the swing of school. We are learning the New Testament this year in Christ Light. Remember to check the calendar for memory work that will be recited on Monday, Wednesday, and Fridays. In writing, we will be working on a personal narrative throughout the quarter. This week we started our dive into soils in science and began our first investigation with soil composition. Watch for emails in the upcoming weeks regarding online accounts that go along with all our new books. Book report packets were sent home last week and the goal is to have a book picked out and also approved by September 16.

### 3-Mrs. Loescher

We've had a great start to third grade! Please be sure to check your child's Take-Home Folder every night for important papers and corrected work that gets sent home. Remember to check your child's Assignment Notebook as well to see if they have any homework that needs to be finished! If you haven't already, please check out our class website for Memory Treasures, book reports, and all other important information: <https://sites.google.com/stpaulgreenbay.com/stpaulgrade3/home-hogar>

### 2-Mrs. Bakeberg

We have had a great start to our year! We've learned about John and Jesus in Christ Light, addition strategies in math, using Lexia and RAZ Kids in reading, spelling our first list words, properties of rocks, subjects and predicates, writing sentences, singing and steady beat, and many beginning assessments! Whew! The kids did a great job with their memory treasures this week! I'm impressed with how they came to school in the morning well prepared to recite. If you have any questions at all, be sure to call, text, or email me.

### 1-Mrs. Blum

We are learning routines, growing friendships, and working on following the group plan. In Christ Light, we are learning about the births of John the Baptist and Jesus. In math, we are learning about a variety of ways to think about adding. We are practicing rhyming, sounding out CVC words and remembering the sight words that they already know. We love Mo Willems books and are reading about Elephant & Piggie and Knuffle Bunny, as we identify characters, settings, problems, and solutions. It has been a great first couple weeks and I look forward to watching the first graders grow together!

### K-Mrs. Jammer

We are busy adjusting to Kindergarten. We have been learning our classmates names, practicing the daily routines, and talking about how to SOAR (Safe, Optimistic, Accountable, Respectful) at St. Paul. We are also starting to learn about numbers 1-5, the letter C, and God's special plan for John the Baptist to prepare people for the Savior. Look for more news and pictures on our private class Facebook page. Please feel free to ask any questions or let me know of any concerns. Blessings on your Labor Day weekend!

### 3K & 4K-Mrs. Zabell

We have learned how God made the whole world using only his words and almighty power! We have been doing a great job learning our new routines and making new friends at school. What a fun bunch of kids we have! This week during our small group time, we talked about our emotions, drew self-portraits, and moved our bodies with scarves and ribbons to different types of music.

### 3K & 4K-Mrs. Nelson

We are learning routines (arrival at school, lining up, fire drills) and getting to know new friends! We are painting, playing with play-doh, drawing self-portraits, moving to music, and singing. We learned that God created the world with His almighty power and He created man and woman in a special way!
